Subject:	vote again boycott resolution
Date:	Thursday, April 19, 2018 8:05:36 AM

Dear Mayor McGovern,
I am writing to urge you to vote against the resolution to end contracts with HP and any other Cambridge-related activities intended to boycott or otherwise penalize Israel. I will be out of town on April 23 and can not voice my opinion in person at the meeting.
This resolution will not benefit the peace process or improve the rights or conditions of people in the disputed areas. It is also a misguided anti-Israel act intended to de-legitimize an internationally recognized country and US ally within a complex region.
Thank you for your attention to this.
Sincerely,
Elizabeth Klerman
